

## SPRAYHAWKS

ADW Turf Sprayers Sprayhawks are one of the best add-on items you can have to complete your spray rig. Our Sprayhawks are built with 1/4" steel to 1/8" and 1/16" steel, offering durability and a lightweight product that will be around for years.

## STANDARD SPRAYHAWK INCLUDES:

- Teejet AA43 aluminum heavy duty spray gun
- 80" wide with five nozzles divided evenly
- Choice of color to match your fleet or spray rig
- 10" pneumatic tires
- Third tire option available

## CUSTOMIZE IT

ADW prides itself in the ability to customize our Sprayhawks to match all your spraying needs. No application is too complicated for us. Send us an email with any questions or concerns you may have and let us create the perfect solution to.

## OTHER OPTIONS

- Standard ADW Sprayhawks come with five Teejet XRC 1106-VK nozzles. ADW offers you an upgrade to your choosing with nozzles to match your application.
- Don't need a boom? How about a boomless Sprayhawk? ADW builds these often to match customer needs.
- Don't have the space? ADW Sprayhawks has a folding arms option.
